Hermione's Last Vows

> Dear Mum and Dad,
> I'm writing this letter that might never reach you. All I have is a near dead owl, Ron, Harry, Fred, George, Lavender Brown, Draco Malfoy, and Justin Flinch-Flentchy. We are deep into Snape's Chamber. He has captured us and has taken us hostage. We have only one piece of parchment and the only clothes are the ones we have on our back. Snape will not let us go until he is master of Hogwarts and of the whole Wizarding community. Snape got mad at Dumbledore and Fudge after they caught Sirius Black but did not bring him to Azkaban because Dumdledore told them that Sirius was innocent. I am writing without paragraphs because I want as much writing space as possible. Please, do not worry about us. Nearly Headless Nick comes at night, trying to relieve us. He brings food, which Snape does not. We gives us letters from Dumbledore and McGonagall, promises if we ever get out, things like Headboy and Girl, Qudditch Captian, anything to give us enough morale and a reason to keep living. Please, if we ever get out, let me go back to Hogwarts. Snape will be in Azkaban forever and there is no reason to be mad. I'm running out of Parchment so I must say goodbye. Please, do not worry about us.
> Sincerly,
 Hermione Granger
